

MEVA

fest!

Manitoba's Festival of Electric Vehicles

A public showcase of Electric Vehicles, technology and Information.

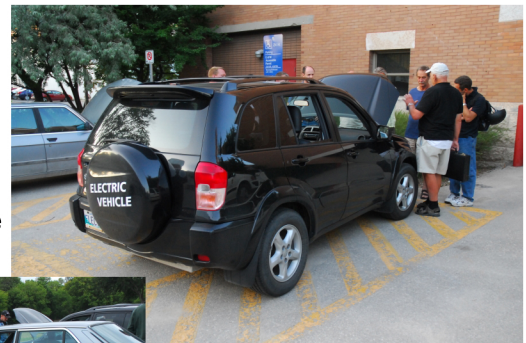

Fun to drive. Low maintenance. Run on clean, cheap, abundant and renewable energy. No tailpipe.

New! Nissan Leaf, Mitsubishi Miev, Chevy Volt.

Conversions from gas to electric. And much, much more!

Chauffeured EV rides around Assiniboine Park

Experience the quiet acceleration of an electric vehicle. 100% torque at zero RPM!

Like driving for 15 cents per liter!

Talk to the owners. Hear their experiences.

See you there!

Promoting Electric Vehicles for a Greener Manitoba.
The Future of Transportation.
